Sir:

On July 10, 2006, applicant filed Part B - Fee(s) Transmittal, Form PTOL-85, for payment of the issue fee for the above-identified application. It has now been discovered that a typographical error was made when completing this form. Applicant respectfully requests that the name of the Assignee be corrected at item 3 (A) as follows:

Before "Medical Research Services and Development Ltd.", please insert -- Hadasit --. The name of the assignee will then correctly appear as "Hadasit Medical Research Services and Development Ltd."

No fee is believed to be due for this response. Should any fees be required, however, please charge such fees to Winston & Strawn LLP Deposit Account No. 50-1814.

Respectfully submitted,
